## Volunteer Role Descriptions:

### Special Events Volunteer

Are you interested in helping out at Manuels River but not able to make a weekly or long-term commitment? Are you a friendly person that enjoys having fun and working as part of a team? Manuels River hosts a number of special events throughout the year that need Special Events Volunteers to make them happen. Special Events include our Annual Bobber Race and Kids Carnival, Haunted Halloween Hikes and the Easter Egg Hunt. Special Events Volunteers will be contacted by email a week or two prior to the event with a list of jobs they can sign up for, such as event set-up, carnival game operator or hike monitor.

### Trail Ambassador Volunteer

Are you passionate about the natural heritage of the Manuels River? Do you enjoy being outdoors and sharing that enjoyment with others? Trail Ambassador Volunteers provide friendly wayfinding and natural heritage information people utilizing the Manuels River Trail. After completing a short Trail Ambassador orientation, volunteers can commit to a regular weekly slot or sign-up for shifts as their time allows. Over the winter we will be looking for Trail Ambassador Volunteers to assist with our snowshoeing program.

### Trail Clean-up and Maintenance Volunteers

Are you a regular walker along the Manuels River Trail? Are you interested in helping to keep the trail litter-free and usable for everyone to enjoy? After completing a short Trail Clean-up and Maintenance orientation, volunteers can commit to a regular weekly time-slot or sign-up for shifts as their time allows. Trail Clean-up and Maintenance Volunteers will also be contacted by email to sign-up for the occasional special trail maintenance project.

### Education Volunteers

Do you enjoy working with children? Are you looking for a meaningful weekly volunteer opportunity? Are you a retired teacher looking to stay involved in education or a student looking for some experience? While an interest in STEM and/or education is an asset for this role, it is more important that Education Volunteers bring with them a curiosity about the world and a willingness to share their enthusiasm for exploring and learning with students. Education Volunteers are required to complete a school program orientation session and a Police Records Check and Vulnerable Sector for that we submit on their behalf.

Volunteers with 20 hours of service receive an annual membership for Manuels River, which includes the following benefits:

- Unlimited general admission to the Manuels River Hibernia Interpretation Centre;
- 10% savings on purchases in our gift shop;
- 10% savings on birthday party packages, camp registrations and facility rentals;
- Invitation to special members only events;
- Complimentary admission to other Science Centres across Canada
